

A vertical illustration of a nativity scene. At the top, a bright, multi-pointed star shines down a beam of light onto a manger. The manger is a simple wooden structure with a thatched roof. Inside, the baby Jesus lies in a manger, with Mary kneeling beside him. To the left, a shepherd stands with a staff. To the right, a dog is visible. The background is a dark blue sky with a few stars and a faint landscape. The entire scene is framed by a gold arch.

You can find joyful music, friendly people, and a message of hope and inspiration. We also have childcare and exciting children's activities.
