September 23, 2017

- On this date, the sun will be in the constellation Virgo (the virgin), along with the moon near Virgo's feet. Additionally, Jupiter will be in Virgo, while the planets Venus, Mars, and Mercury will be above and to the right of Virgo in the constellation Leo. Some people claim that this is a very rare event (allegedly only once in 7,000 years) and that it supposedly is a **fulfillment of a sign in Revelation 12**.
- "And a great sign appeared in heaven: a woman clothed with the sun, with the moon under her feet, and on her head a crown of twelve stars. She was pregnant and was crying out in birth pains and the agony of giving birth." (Rev 12:1-2)

112th Pope – St. Malachy's Prophecy

- In 1139, then Archbishop Malachy went to Rome from Ireland to give an account of his affairs. While there, he received a strange vision about the future that included the name of every pope, 112 in all from his time, who would rule until the end of time. **We are now at the last pope/prophecy.**
- Malachy's prophecy/predictions have been strikingly accurate.
- St. Malachy's final prediction "In the final persecution of the Holy Roman Church there will reign Peter the Roman, who will feed his flock amid many tribulations, after which the seven-hilled city (Vatican City) will be destroyed and the dreadful Judge will judge the people. The End."
- Pope Francis, the 112th and current Pope, is the last Pope, he will lead the Church through the tribulation.

Wormwood/Apophis 2029

- Apophis, a NASA identified asteroid that in April 13, 2029 is expected to pass through the earth's atmosphere and disrupt satellite communications. 1200 ft. wide, weighs 20 million metric tons
- The name of the **star** is Wormwood. A third of the waters turned bitter, and many people died from the waters that had become bitter. The fourth angel sounded his trumpet, and a third of the sun was struck, a third of the moon, and a third of the stars, so that a third of them turned dark. A third of the day was without light, and also a third of the night. As I watched, I heard an eagle that was flying in midair call out in a loud voice: "Woe! Woe! Woe to the inhabitants of the earth, because of the trumpet blasts about to be sounded by the other three angels!" (Revelation 8:11-13)
- Star is a translation of the Greek word "Asteri" (asteroid)

11

Wormwood/Apophis 2029 (cont.)

- Many believe that Wormwood alone is responsible for the first 4 Trumpet Judgements of Revelation 8
 - Scourge of Earth (Rev 8:6-7). Devastation/burning of earth's vegetation.
 - Scourge of Sea (Rev 8:8-9). Devastation of oceans and seas.
 - Scourge of Rivers (Rev 8:10-11). A great star, Wormwood. Devastation of rivers and fresh water.
 - Scourge of Heavens (Rev 8:12). Sun, moon and stars partially darkened.
- Revelation 6:15-17
- If we go back 3.5 years earlier from April 13, 2029, the day falls during the Feast of Tabernacles in 2025. Could this be the beginning of the tribulation?
- Was the formation of Space Force (under Trump administration) a response to the impending asteroid strike on the earth?

Where is the U.S. in Bible Prophecy?

- Why is the United States of America not clearly mentioned in Bible prophecy? There could be several possible explanations:
 1. The United States will be weakened and its influence in the world suffers, and America does not play an important role in end-times events.
 2. In the end times, the United States has ceased to exist altogether.
 3. The United States is simply one of the other nations of the world that reject God in the end times (Rev 10:11; 11:18, 12:5, 14:8, 15:4, 16:9, 17:15, 18:3, 18:23, 19:15).
- The United States of America has historically been one of Israel's most faithful allies, and God's promise to Abraham, "I will bless those who bless you" (Gen 12:3), has resulted in America's success. But if America turns its back on Israel, it will lose God's favor: "Whoever curses you I will curse" (Gen 12:3).
